

The Division of Agricultural and Food Chemistry (AGFD)
of the American Chemical Society (ACS)

In conjunction with the 263rd ACS National Meeting
March 20 - 24, 2022 in San Diego, CA

Presents the

UNDERGRADUATE STUDENT POSTER COMPETITION

This research and poster competition is designed by AGFD to showcase the research talents of undergraduate students, provide a professional forum for presentation of their research and promote their continuance of education in food & agricultural chemistry.

Participation in the competition is open to all undergraduate students at all certified universities actively participating in research projects/programs in the areas of food and agricultural chemistry.

Those students chosen to participate as Finalists in the poster symposium will receive travel expenses up to \$750 to attend and present their research during the AGFD General poster session at the Spring meeting of the ACS. Three Undergraduate Research Award winners will be determined. The winners will receive a cash award of \$500, \$250, and \$100 for first, second and third place, respectively.

Applications are being accepted from qualified undergraduate students. To apply, please submit the following items:

1. Application form
2. Resume / CV
3. Letters of recommendation from two professors (one from advisor)
4. Abstract of the proposed poster presentation (submit abstract to ACS MAPS On-line system)d

E-mail Application to:
Dr. Kathryn Deibler
GSK Consumer Healthcare
E-mail: kdd3@cornell.edu

Application & Abstract Entry Deadline: October 15, 2021
(Enter your Proposed Abstract to the
AGFD General Poster Session via the ACS MAPS On-line System)
